President of the U.S.

As presidents of the classes and organizations, we, as well as all other students of W.H.S., represent leadership. As we follow the road of life ahead, we will face difficult problems, problems that will concern not only ourselves, but also our community, country, and world. As these men lead, may we also follow in their footsteps.

Pow-Wow Staff of 1969

The 1969 Pow Wow Staff is proud to present this year's Pow Wow. Many hours of long, hard work have gone into it, and we hope many hours of pleasure will result from it. Each of us has gained from the experience of putting together a Pow Wow. We learned, after a few meetings, that we must work together and cooperate with each other. As a result, we have a Pow Wow we are proud of, and we present it to you for hours and years of enjoyment.

The Student Council is composed of students who have been elected by their classes and organizations. The council serves as the vital link of communication among the students, faculty, and board of education.

The main function of the council was sponsoring the homecoming parade, bonfire, and dance. This year's parade and bonfire provided the student body with a break in the monotony by being conducted the night before the game instead of during the day of the game. The council provided a change at the dance also. The Curiosity Shop, a rock-n-roll band, socked it to the alumni.

Active Year for Spanish Club

At the beginning of the year, a party was held to welcome the in-coming members to the club. Many different kinds of games and surprises were enjoyed by all. At Christmas the annual caroling party was held, with a good group of members attending.

In the spring the club presented its Pan-American Night activities. This is a night when the community can come to see what the Spanish speaking countries are like, and how the people of United States can get to know them better.

The Pow-Wow staff with the help of our advisor, Mrs. Marsland, has worked very hard to produce your yearbook. We have spent several nights a week as well as every free moment we had on the book. While many cropped (cut pictures down), others took snap shots, laid out plans for pages, and typed copies of the pages. Some of the staff went to the nearby businesses to sell ads for the yearbook. We thank the people not on the staff that helped make this book. Regardless of all the hard work, we have enjoyed putting out the Pow-Wow.

Jr. Class Play: Onions in the Stew

Betty MacDonald has talked her two attractive teenage daughters and somewhat doubtful husband into sinking every cent they have in a home on an island in Puget Sound. As the usual and often uproarious complications of island life present themselves, the family stares wistfully across the bay toward the lights of the big, comfortable city.

Everything Betty does to make this venture a success backfires on her. There are many problems including the girls. Betty lists the problems you have to accept: 1. Dinner guests are often still with you days later. 2. Sleeping in the lawn swing is fun if you remember the raccoons are just trying to be friends. 3. Any definite appointment automatically causes the ferryboats to stop running.

Betty is sunk, miserable at having brought up selling the house on them all. Yet, in the midst of the humorous difficulties and despair, the family find a special value in the life they are creating, a value they wouldn't trade for anything in the world.

STUDENT COUNCIL SPONSORS HOMECOMING

The first activity for 1968 Homecoming was the bonfire, held Thursday night. Although it was cold, a good crowd of students and townspeople turned out to cheer the boys to victory. The parade ended up with a bonfire back of the school and speeches by the coaches and some players.

After the game Friday night, which Windsor won, Student Council and guests met at the school at 8:30 Saturday morning for a long, tiring day of decorating the gym for the big dance. Red and white streamers draped from the center with red and white around the sides, also. The Christmas tree, a traditional decoration, stood in the southeast corner. The stage was decorated by a large silver heart decorated with red and white streamers and candy canes, and a white chair for our new homecoming queen, Sandra Slater.

Homecoming Queen and attendant.

All had a great time.

Devils Face Tough Competition

The fighting Blue Devils ended the '68 baseball season with a 4-4 won, lost record. With this hard-fought record, the Blue Devils placed third in the conference standings. Rod Maxwell, our left-handed hurler, pitched superbly but was not given the complete support of the team's offensive punch. However, Maxwell was able to throw two shut-outs through the season. Both were against two of Windsor's traditional rivals, St. Anthony and T-Town.

The record of our Blue Devils does not give a good picture of their skill and strength. In three games Windsor lost by the unfortunate error at the wrong time. Although the finish of the '68 season was not as we had expected, the team gained experience and showed a good attitude for other teams and themselves.

Back the Blue Devils

Batting Co-Champs

Rick Ratliff and Richard Waggoner were co-champs in the batting department for the Blue Devils this season. It was a hard fight for the batting award. The last game, which decided the averages, broke a four way race.

This is the second season the Lettermen's Club has given the annual batting award. This is Richard Waggoner's second win.

The Windsor Blue Devils were led by three returning lettermen, Rod Maxwell, Lanny Bridges, and Mel Austin, to a great season with a 19-7 record. We took second place in the National Trail Conference Tournament, and finished in second place in the conference with a 9-2 record. The Devils took fourth place in the Shelby Invitational Tournament by losing to Shelbyville in the semi-finals and to Vandalia for third place. We lost both games by two points. Two highlights of the season were beating T-Town and St. Anthony. The Devils also beat the Findlay Falcons three times this season, and kept possession of both Hatchets by defeating the Stew-Stras Comets in the Homecoming games.

The Devils can look forward to great season next year with the return of several fine players.

Monte Nohren's junior varsity ended their winning season with a 10-8 record. The junior varsity faced determined foes several times this year, winning or losing by only one point. The junior varsity starting five were on the varsity, but may be hindered next season by a lack of varsity action.

The sophomore team had its trouble this season, compiling only a 4-7 record. The Windsor tradition of winning seasons will be kept up in the coming years, as the freshman team built up a winning 9-5 season this year.

Bye Y'All!

Boy, are we exhausted! It has been a long year. We put in lots of work, work, work, but we also had fun-fun-fun! Although we're rather glad it's over, we'll miss the regular, and frequent, it seemed, times we met. It is the general consensus of opinion that we'll miss W.H.S. and its many activities. And we're sure that the faculty and students will miss Us! Mrs. Marsland, especially, we are sure will miss us! Without her this yearbook would not have been possible. So thank you all - and farewell to the Windsor High School!
